Hi Cathy,

Happy New Year to you as well.

Amelia's acting manager is Becky Mitschele. She can be reached at 415-972-3492 or mitschele.becky@epa.gov

I have attached an org chart for the Enforcement Division. We are having trouble with our sharepoint site today so I was unable to get an org chart for the Water Division. You can ask Becky for one. Good luck.

Jim

Subject: Question for you

Hi Jim:

I have been asked to set up a meeting with the Coastal Commission and U.S. EPA in relation to our work with the City of Eureka's discharge to Humboldt Bay. The hope is to have the meeting happen within the next month if possible. Amelia is our liaison and I understand that she is out on work travel all month. Her automated email said to contact you in her absence. Can you tell me who Amelia's supervisor is?

Also, is there an organizational staff chart for EPA Region 9?

Happy New Year to you.
